

Municipal Building
Hill Road at Woodglen

201-638-8523

TOWNSHIP OF LEBANON
HUNTERDON COUNTY

R.D., GLEN GARDNER, N. J. 08826

June 1, 1977

To whom it may concern:

Raymond Merrell, Flemington, N.J., is employed by the Township of Lebanon, Hill Road at Woodglen, Glen Gardner, N.J., for the summer, working for the Environmental Commission.

He may purchase items for the project and have them billed on the voucher, he will present to you.

The municipality is tax exempt. If you have any questions, please call me at 638-8528.

**Lebanon Twp.
To Test Water
For Residents**

If you'd like to see what's really in your pool water, drinking water or pond — and you live in Lebanon Township — the answer lies in a special water testing program that will run for two weeks beginning on Monday.

The township environmental commission will repeat last year's free water testing program for Lebanon Township citizens.

You must obtain a sterile bottle and instructions from Raymond Merrell at the municipal building. He will be available from 9 to noon and from 1 to 4 p.m. for the next two weeks, weekdays only.

There is a refundable \$2 fee for the sterile bottle. Test results will be mailed to each participant and will be held confidential.

Very truly yours,

Claire Weightman
