<p>Tuesday, May 17 River WALK: The Life of a Nature Trail Curious about how the nature trails you enjoy actually get made? Join the MWA for a one-mile walk on its existing Educational Trail in Asbury, to learn about its past, present, and future—which includes a grant to convert it from a short out-and-back trail to a 3.5-mile loop on both sides of the National Wild and Scenic Musconetcong River. Afterward, participants will hop in the car for a short drive to one of the public access points for the planned loop trail, along with a conversation about why these trails matter and what we can do to protect the spaces they allow us to experience.</p> <p>Space is limited, so sign up as soon as possible!</p>	 <p>RIVER WALK: THE LIFE OF A NATURE TRAIL TUESDAY, 5/17/2022, 6:00-7:30 PM MEET AT THE RIVER RESOURCE CENTER</p>
