| <p><b>Tuesday, June 28</b> <i>River Talk: Microplastics in the Musconetcong.</i> 7-8:30 pm. River Resource Center, 10 Maple Avenue, Asbury, NJ 08802. Microplastics have gained a lot of attention recently because of their growing list of environmental impacts, but there is still much to learn. Microplastics are everywhere—even in the Musconetcong River. Join us for a River Talk as MWA's Sam Johnson talks about microplastics in the environment and what solutions are available to mitigate their impacts.</p> <p>Registration is free, but space is limited. <a href="#">Sign up here.</a></p> |  <p>River Talk: Microplastics in the Musconetcong<br/>Tuesday, 6/28, 7 - 8:30 pm<br/>River Resource Center</p> |
| <p><b>Friday, July 29</b> <i>Riverfest: A 30<sup>th</sup> Anniversary Event.</i> 5-9 pm. Donaldson Farms. Join MWA at Donaldson Farms for a celebration of 30 years of watershed protection! There will be live music, food trucks, and local vendors and partners. Adult tickets are \$10, Children's tickets are \$2, and children under 3 are free. Tickets and information <a href="#">available here.</a></p>                                                                                                                                                                                             |                                                                                                               |
| <p><b>TBD, November 2022</b> <i>Point Mountain Hike</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                   |
| <p><b>TBD, December 2022</b> <i>Asbury Mill Dinner</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                   |

This calendar will be updated periodically throughout the year. Please check back for updates!

# Festival Events

Visit MWA as we support our local community!

**Saturday, September 17, 2022** *Northwest New Jersey Rivers Conference*. 9 am-4 pm. The Lackland Center at Centenary University, 715 Grand Avenue, Hackettstown, NJ 07840. The Northwest New Jersey Rivers Conference invites anyone and everyone who cares about this region, clean water and the Delaware River to learn how we can best work to protect its resources: to conserve, restore, educate, inform and bring communities together to defend and share what we love best. For more information and tickets, [visit the website here](#).

This calendar will be updated periodically throughout the year. Please check back for updates!
